SPECIFIC— Richard KAUER & KLATT Reported Israeli Intelligence Mission

1. Forwarded herewith is a report dated 12 May 1952 received by Group 9 from Baron Heinrich von MAST. MAST is generally considered to be a fabricator and is currently in close association with Dr. Wilhelm ROSTEL. MAST was formerly an agent of Zipper and probably still retains Zipper connections.

2. The report states that Richard KAUER, & KLATT, who reside at Salzburg, Stauffenstrasse 18, is working for the Israeli Intelligence Service, for which he is now trying to organize a group of dancing girls to be sent to the Levant and Near East to conduct espionage, presumably using their dancing as cover. One of the girls in the group is allegedly one Cora AM, who reportedly now works in the Club Cocanova, a nightclub in Salzburg heavily frequented by American soldiers but popular with tourists as well.
